

## Ebook Project

**Objective:** To create an electronic book that compares and contrasts your life to that of a teenager in a country/region of your choosing.

This project will be broken down into a series of SMALL STEPS. Be sure to follow along and complete EACH STEP as it is assigned. Otherwise, you will quickly get overwhelmed.

### Step 1:

Title your book on the front cover. My Life and Yours: Comparing the World of an American and a \_\_\_\_\_ Teenager. By your name here

Design a cover that captures the essence of your book (you can change this later)
